Director's Letter

We have been hard at work the last half of August with deep cleaning and rearranging items! I am pleased to say that our adult non-fiction has a new location behind the magazines, new fiction is now two full bookcases up front, and new movies are now next to the regular movies! We are excited to have more space so that you can see everything and it is not crowded!

I'm excited to announce will be open Sunday September 18th from 10-4 for the Village Flea! There will be an Ice Cream Social for all to enjoy along with carnival games for the kids. Ice cream and games are FREE! Ice Cream is limited to one cup per person until we run out!

We will be closed Monday, September 5th, in observance of Labor Day.

Finally, just a reminder that we do have curbside services available! Please see the back page for more details on this very beneficial service!
